

Biff "E" Breeze

Hello Old Woodseys!

Excuse the mass e-mail but it is the best way for us to contact so many people.....

Welcome to the first **still under construction** edition of the *Biff E' Breeze!* This is our modern take on the original *Biffy Breeze* newsletter that we used to look forward to getting in our dorm mailboxes every quarter. In the future we hope to incorporate sections from the original newsletter, such as *warm fuzzies* and personal "shout-outs" in addition to class updates so you can all see what's become of your old session and co-counselors.

To those of you we haven't spoken to in a while, we've missed you.....

I am writing to you today because you are on the short list of e-mails I have for UCLA UniCamp Volunteers, both past and present. The old volunteer database and tons of typewritten rosters from 1940-1990 are being transferred to a new web based program and we are in the process of going through it item by item to update it. Unfortunately, the old files weren't updated for about 5-6 years, and most alumni before 1994 are not in the system. So naturally we are missing tons of information.

So that is why we are writing to you! We want to update everyone on some new and exciting developments at UniCamp. Please, when you have a moment, check out the revamped website at www.unicamp.org - there is a page dedicated specifically to Old Woodseys! You can find the link on the main page where it says "Old Woodseys Click Here" or go to "Get Involved" and "Alumni." On this page you will find an update form to submit your contact information so that we can add you to the new **Old Woodsey Directory** and inform you of upcoming activities, announcements, etc. One goal for this page is also to have an update page where people can see what's become of their Old Woodsey "classmates." The more people that update their information with us the more we can do! **We especially need E-MAIL ADDRESSES- most addresses we have are peoples' old UCLA addresses ☹.** In the meantime, please feel free to contact us for recent updates and announcements, including news on your old sessions.

UniCamp has been around for 70 years and we have only been able to account for a small percentage of the dedicated staff, campers, and volunteers who have made UniCamp what it is today. Because of the groundwork laid by people such as you since 1934, UniCamp is still going strong, serving a full seven sessions of camp this summer for over 700 campers and 300 volunteers.

Please forward this e-mail to anyone you know that was once a staff member, camper or volunteer for UniCamp. Let's get these branches to slowly creep all the way back to 1935!

The perks of the new directory are endless!

- Find out what happened to your old session
- Network with Old Woodseys
- Alumni Reunions, "Class Updates," and Special events
- Utilizing Alumni for their endless contacts, talents and resources for UniCamp's everyday needs.
- Utilizing alumni for **TODAY'S** programs, **TODAY'S** training
- Keeping alumni informed of all current events and developments via a new version of the *Biffy Breeze* Newsletter.
