- Count your campers.
- WALK quickly and quietly to line-up
- Count your campers again and wait quietly and calmly for further instructions

**ACTIVE THREAT:** (in order) Run, Hide, Fight

**LAW ENFORCEMENT/ICE:** Go inside, don't open the door or answer questions.

## Camper Safety

- ★ NO FOOD OUTSIDE THE LODGE. Check luggage and sleeping bags.
    - Food attracts small animals, small animals attract bigger animals!
  - ★ Make sure campers wash hands before meals and bedtime, or after river/lake activity.
    - Baby wipe baths are essential #selfcare!
  - ★ Make sure your campers are constantly DRINKING WATER & eating adequate food @ mealtimes
    - Tell LSHIP right away if a camper isn't eating/drinking
  - ★ Keep campers within camp boundary (marked by colored tape)
- 

## Questions to Ask a Challenging Camper

Be patient and understanding, but also be firm. You can ask:

- ★ What are you trying to get by doing that?
- ★ If you got it, how would that make you feel and what would you do?
- ★ If I could teach / show you a better way to get that without getting into trouble, would you like to learn it?

## Meals Reminders

- ★ During line up, make sure at least one counselor is on each end of the line
- ★ Remind k-staff of dietary restrictions in your unit each meal

- ★ Always say “**grace**” before every meal
- ★ Return unopened milk **before the seconds bell rings**
- ★ Send any campers that need **medications** to see the medic
